Dear Donor,

On behalf of the Charitable Foundation, we extend our heartfelt gratitude for your generosity in response to the devastating Wang Fuk Court fire in Tai Po on 26 November 2025.

Thanks to your contribution, along with the support of other compassionate donors, we have raised HK\$650,000 in under ten days since launching our appeal. In the immediate aftermath of the fire, the Foundation pledged HK\$1 million, including an initial HK\$200,000 disbursed within 24 hours to SideBySide, enabling them to deliver emergency aid to residents temporarily housed at their Good House facility. With your contributions, total funds available for relief efforts now stand at HK\$1.45 million.

With both Government bodies and community organisations taking up the crucial role of providing urgent material needs such as shelter, clothing, and daily essentials, the Foundation is prioritising the emotional and psychological recovery of victims, especially children and young people, who are most at risk of long-term trauma without access to timely, professional care.

To this end, the Foundation has allocated HK\$600,000 to three reputable NGOs actively assisting children and adolescents impacted by the tragedy:

- Plan International
- Save the Children
- SideBySide

These organisations are delivering psychosocial and emotional recovery programmes designed to help young survivors rebuild strength, confidence, and hope.

Following these allocations, HK\$850,000 remains available for future relief initiatives. The Foundation will continue to monitor the progress of these programmes, assess the work of other trusted NGOs, and allocate further funds as new or ongoing needs arise.

Your compassion and generosity have enabled us to respond swiftly and meaningfully to this crisis. Together, we are not only helping families overcome immediate hardship but also regain a sense of stability and hope.

Thank you once again for your support and continued commitment to our community.

Yours faithfully,
